This writ petition has been filed with prayers to issue (a) a writ, order or direction in the nature of mandamus commanding and directing the opposite parties particularly opposite party no. 1 to provide informations regarding the date of birth and education certificate of opposite party no. 6 as sought by the petitioner under Right to Information Act, 2005 as per application dated 17.12.2009, which was duly received in his office vide receipt nos. 59904 and 59905, expeditiously, and (b) any other suitable order or direction which this Court may deem fit, just and proper in the facts and the circumstances of this case, apart from a prayer for payment of costs.

The brief facts of the case leading to filing of this writ petition are that opposite party no. 6, Sri Brij Narain Singh, served for four years in excess of his service on the post of Assistant Teacher in Primary School, Sajwan Deeh, Block-Dostpur, District Sultanpur by manipulating his date of birth in service records and during that period as per allegations he is said to have committed various illegalities and irregularities in performing his duties and also embezzled the amount of mid-day meal and students' scholarship with the connivance of the Principal of School. Having acquired knowledge about manipulation of the date of birth in the service records of opposite party no. 6, the petitioner claims to have approached opposite parties 2 to 4 and submitted applications dated 02.05.2009, 16.05.2009 and 22.08.2009 through registered post for making enquiry but till date nothing has been done for redressal of the grievance of petitioner.

Learned counsel for the petitioner, however, after arguing for some time does not want to press this writ petition, thus, it is dismissed as not pressed.
